BELMONT CITY COLLEGE (Jun14)

The following defines the local-intake area of this school—

From the overpass of Victoria Park Drive and the Graham Farmer Freeway, south east along the Graham Farmer Freeway (north east side included) to Orrong Road, continuing south east along Orrong Road (north east side included) to Kewdale Road, north east along Kewdale Road (north west side included) to Tonkin Highway, continuing north along Horrie Miller Drive (west side included) and its extension to the local government authority boundary (City of Belmont and Shire of Swan), north-west along the local government boundary to Great Eastern Highway, south-west along Great Eastern Highway (east side) to Ivy Street, north-west along Ivy Street (both sides included) to the Swan River foreshore, south, south-west and west along the Swan River foreshore to a point due east of the overpass at Victoria Park Drive and the Graham Farmer Freeway and west to this overpass.

The following defines an optional area between Belmont City College and Kent Street Senior High School—

From the overpass of Victoria Park Drive and the Graham Farmer Freeway, south east along the Graham Farmer Freeway (south west side included) to Orrong Road, continuing south east along Orrong Road (south west side included) to Kewdale Road, south along Kewdale Road (west side included) to Welshpool Road, west along Welshpool Road (north side included) to the railway line, north west along the railway line to the Belmont Park railway station, and north east to the overpass of Victoria Park Drive and the Graham Farmer Freeway.

This map is based on a written description of the local-intake area (LIA) for the school as published in the WA Government Gazette. Although the map closely represents the LIA description, for some houses near the boundary (especially on street corners), it may be necessary to refer to the written description. The street address of a residence is used to determine whether that dwelling is inside a particular LIA. The LIA description can be found in the School Profile System on the Department of Education website. While local-intake areas for most schools do not change from year to year, changes are made to local-intake areas as required. Such changes are published in the "WA Government Gazette" (usually in a December issue) and subsequently this map will be updated. For any enquiries contact Department of Education.
